

2017-19

Developed the Co-Education Methodology

Initiated strategic partnerships, culminating in an agreement with UNATE in Cantabria

2020

Refined and further developed the **methodology** through collaborative discussions with UNATE.

Established an **online presence** with the creation of a dedicated website

Actively pursued **funding** opportunities to recruit support personnel in Santander

Drafted essential documentation, including institutional agreements, confidentiality agreements, and program guidelines.

2021

Conducted a visit to Cantabria to facilitate a workshop with UNATE co-educators.

Recruited a technology specialist to enhance project support.

2022

Implemented the program for the first time as part of the curriculum at Carleton College.

2023

Received interest from María Bella of the Concejo of Corcubión (Galicia) in participating

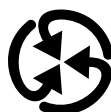

Organized a second **workshop** with UNATE co-educators and conducted an inaugural workshop with community partners in Corcubión (Galicia)

Revised and updated essential documentation, including institutional agreements, confidentiality agreements, and program guidelines.

2024

Delivered the program for the second time

Undertook a **visit** to Santander and Corcubión to finalize the process with both groups of co-educators, celebrate the project's completion, and collaboratively reflect on the future direction of the course.

2025
